## PERMACULTURE, ART AND SPIRITUALITY

2017 to 2018  
@ Porto Portugal

President at Espaço Compasso - Cultural Association

Co-founder of First Portuguese Chapter of CEBC (Center for Buddhist Studies Bodhisattva) Brazilian Organization – Teachings and Meditation Facilitator.

Member of Board of Directors at Amakura Association – Permaculture and Healing

Sound Journey musician and Mantra Singer for Healing and Meditation.

Creator of the talk: “From Ancestral Knowledge to Modern Science” - where a unifying vision of Ancient Spiritual Cosmology among traditions across continents is shown to be complementary to the Quantum vision of Modern Science. This is the basic approach for my permaculture teaching based on the flux of energy of the 5 elements.

Dragon Dreaming Project Management and Team Building since 2014. (in 2018, I formalized my experience with a certified course to become a Dragon Dreaming Certified Facilitator)

Starting a Economic digital platform for exchange of services and goods related to Permaculture and Healing network.

Designing and facilitating permaculture courses for children, teenagers and adults.

Consultant for Permaculture Projects: Great experience in Eco-building, Low-cost Renewable Energies, and Agriculture Ecosystems.

Team Leader for Grape Picking @ Champagne, France

Living in Buddhist Ecovillage CEBC (Center for Buddhist Studies Bodhisattva)

Study of Buddhist Cosmology and Mind Nature

Children and Teenager Group Facilitator: Summer Camp – Dragon Dreaming and Experience in permaculture with 20 Teenagers in Bacopari, Brazil

Central and South American Shamanism Apprentice in the tradition of the Aztecs, Incas, Huna Kuna, Guarani traditions. Traditional medicines facilitator.

Ayurvedic Massagist.

Travelling as Street Musician - Playing Didgeridoo, Flute and Singing.

2013 and 2014  
@ Europe

2006 to 2012  
@ Aveiro, Portugal

Co-founder and Board of Direction of the Engineers without Borders NGO EpDAH, developing Humanitarian Aid projects in African Portuguese speaking countries and Permaculture projects in Portuguese universities.

Coordinator of Volunteering Project HortUA - Permaculture Living Laboratory at Aveiro University.

Permaculture Teacher and Co-Founder of the Cabrum Ecovillage in center Portugal.
